

PROFUN

We are a team of highly committed professionals, making cool goods for storage and cooking so that everyone could afford them.

We help people create a space easy to arrange and to keep clean, saving time for your living. Both a small apartment and a large house may become a zone of home comfort where you feel like coming back.

We really like what we do! Fun is our lifestyle and philosophy expressed in our goods!

Unique goods pleasant and convenient to use:

We make high-demand consumer products. Every day we use ProFun products ourselves, that's why we are 100% sure of them. When working out new products, we thoroughly elaborate their appearance, functions and ergonomic design.

High-quality and safe plastics:

In our products, we use only primary plastics of superior quality safe for food storage and for kids.

Best prices:

We offer our customers the best value for money due to high production efficiency and manufacturing process optimization.

Modern factory:

The ProFun plant is a modern manufacturing site with high-tech equipment and a team of professionals.

Environmental solutions:

We take good care of environmental resource management: plastics and materials used in the course of manufacture (packaging film, cardboard and wood) are recycled.

Kitchen utensils for conservation, preparation and serving (food storage containers, bowls, cutting boards, measuring jugs, atc).
